Dear all,

We have found this gem of a location for this years Gold Cup, and are very much looking forward to welcoming all the NEWF-owners to Urhøj Camping.

The owners Lene and Alex, have been extremely accommodating in meeting all our requirements. The agreement we have made runs from Tuesday 14th - Monday 30th July

On their website: www.urhoej-camping.dk you will find prices, list of services etc.

Camping has to be booked by email to: feilskov@urhoej-camping.dk - Please mention booking code: **GC2020**.

Payments must be done directly at the campsite upon check-out. The following special conditions apply:

- Dogs stay for free during Gold Cup
- There is no camping pitch fee when attending Gold Cup
- Free Wi-Fi
- Free entry for exhibitors and guests who are visiting for the day
- Use of washing machines and driers, electricity, shower facilities and purchases of a personal nature will be charged according to the listed prices.

We have reserved the following areas: Trekanten, Tyren, Vægten, Vandmanden, De gamles Hjem samt K. Sørensen's Hjørne. (please see the map).

If you are a group wishing to stay together in the same area, then please mention this when booking. As on most campsites, quiet has to be respected after 22:00. However, the owners do realise that some people would like to sit and socialize later than that time. If this is the case, then please ask to be booked in at the area called "K. Sørensen's Hjørne".

Every morning it's possible to buy freshly baked rolls and homeroasted coffee. You are also able to order "dish of the day" for dinner - please place your order the day before. If you would like to BBQ, then you can also order "BBQ-packs" consisting of various meats. Homemade burger buns are also available.

Please note, that it's strictly prohibited to wash your dogs in the showercubicles. Violation of this will result in a penalty of €100 pr. dog. Opposite the showerblock there is a paved area with access to a waterhose, where we can wash the dogs.

The exhibition area will be down along the beach, where we will also be conducting the water trials.

We look forward to welcoming you all to Gold Cup 2020!
